

TATUM WATERWORKS BOIL NOTICE

Effective as of August 2, 2022 until Further Notice,

Due to a broken water line the City of Tatum is asking all customers to boil their water until further notice. The Texas Commission on Environmental Quality (TCEQ) has required our public water system City of Tatum, PWS ID 2010034, to notify all customers to boil their water prior to consumption.

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking, and for making ice should be boiled and cooled prior to consumption. The water should be brought to a vigorous, rolling boil and then boiled for two minutes. In lieu of boiling, you may purchase bottled water or obtain water from some other suitable source.

When it is no longer necessary to boil the water, the water system officials will notify you that the water is safe for consumption. The rescind notice will be issued in the same manner as this Boil Water Notice.

If you have questions regarding this matter, you may contact Michael Morton at 903-646-0593.

If a customer wishes to reach TCEQ, they may call 512-239-4691.
